# FAQ

## TOP 10 FAQS ABOUT WORKERS' COMPENSATION IN GEORGIA

01

### Will I Get Fired if I File a Workers' Compensation Claim?

It is illegal for an employer to fire you for filing a workers' compensation claim. If you face retaliation, you have legal rights and can seek remedies through the legal system.

02

### Should I File a Workers' Compensation Claim?

If you have been injured at work, it is generally advisable to file a workers' compensation claim to receive the benefits and support you are entitled to. Consult with a workers' compensation attorney to understand your specific situation.

03

### What Benefits Can I Receive?

Workers' compensation benefits can include medical treatment, wage replacement, and disability benefits, depending on the severity and nature of your injury.

04

### How Long Do I Have to File a Claim?

In Georgia, you have one year from the date of injury to file a workers' compensation claim. Prompt reporting is crucial.

05

### Do I Need a Lawyer to File a Workers' Compensation Claim?

You are not required to have an attorney to file a workers' compensation claim. However, working with an experienced workers' compensation lawyer can be helpful if your claim is denied, your benefits are delayed, your injury is severe, or your case involves disputes or complex issues.

# FAQ

## TOP 10 FAQS ABOUT WORKERS' COMPENSATION IN GEORGIA

### 06 What If My Claim Is Denied?

If your claim is denied, you can file an appeal. It's beneficial to consult with an attorney to navigate the appeals process effectively.

### 08 Will Workers' Compensation Cover All My Medical Bills?

Workers' compensation should cover necessary and reasonable medical expenses related to your workplace injury. Disputes over coverage can be resolved through legal channels.

### 10 What Should I Do If My Employer Doesn't Have Workers' Compensation Insurance?

Employers in Georgia are required to carry workers' compensation insurance. If your employer doesn't have it, you may report them to the State Board of Workers' Compensation and seek legal assistance.

### 07 What Happens During the Claims Process?

The claims process involves reporting the injury, seeking medical treatment, filing the claim, and potentially attending hearings or mediation if disputes arise.

### 09 Can I Receive Compensation for Permanent Injuries?

Yes, if your injury results in permanent disability, you may be entitled to additional compensation, including permanent partial disability benefits.

# WHEN TO HIRE A WORKERS' COMPENSATION ATTORNEY

You may want to consider working with a workers' compensation attorney if:

## YOUR CLAIM IS DENIED

If your workers' compensation claim is denied, an attorney can help guide you through the appeals process and advocate for the benefits you may be entitled to receive.

## YOUR ABILITY TO WORK IS AFFECTED

If your injury temporarily or permanently limits your ability to work, an attorney can assist in pursuing appropriate disability benefits.

## A SETTLEMENT OFFER DOESN'T COVER ALL COSTS

Insurance companies may offer settlements that do not fully account for medical expenses or lost wages. An attorney can help review and negotiate a fair resolution.

## YOUR EMPLOYER RETALIATES

If you experience retaliation or discrimination after filing a workers' compensation claim, an attorney can help protect your rights and explore available legal remedies.

# WHEN TO HIRE A WORKERS' COMPENSATION ATTORNEY

You may want to consider working with a workers' compensation attorney if:

## YOU EXPERIENCE DELAYS OR ISSUES WITH BENEFITS

Delays in receiving benefits or challenges in the claims process may require legal assistance to help move your case forward and address disputes.

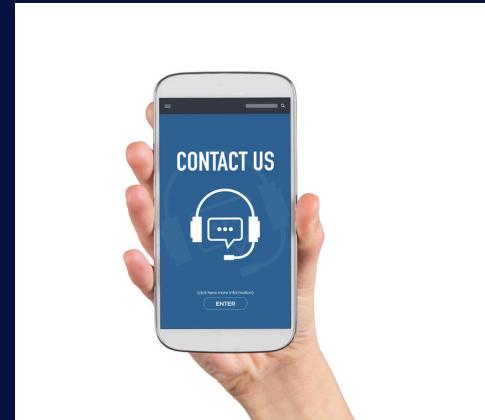

## YOUR CASE INVOLVES A THIRD PARTY

If your injury involves a third party, such as a contractor or product manufacturer, an attorney can help navigate the added legal complexities.

## YOU HAVE A PREEXISTING CONDITION

Workers' compensation claims involving preexisting conditions can be complex. An attorney can help demonstrate how your work-related injury aggravated or worsened an existing condition.
